COMPETITIVENESS AND CHALLENGES OF THE EU PROCUREMENT SYSTEM

Slovenia – organizational view

- SLOVENIA
 - 2,1 million inhabitants
 - 20.271 km²
 - borders: 1.370 km
 - 4 neighbouring countries IT, AT, HU, CRO

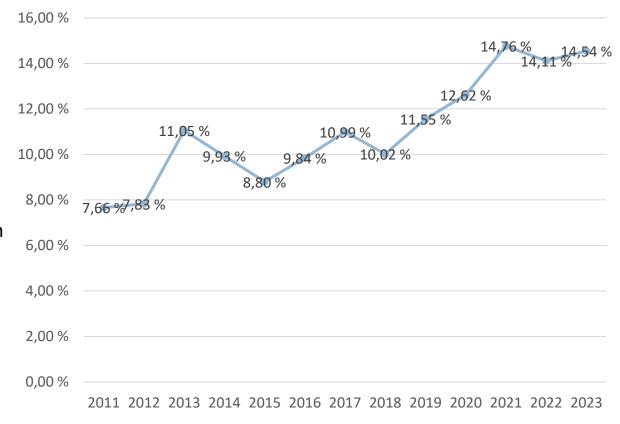

- GOVERNMENT, STATE ADMINISTRATION and MUNICIPALATIES
 - Ministries (19)
 - 58 units of state administration on local level
 - 212 municipalities of which 11 are urban municipalities

Slovenian public procurement environment

- 7.000 procurement procedures /year, 17.000 lots
- 9 billion €
- Approx. 14,5% of GDP
- 90% are transparent open procedures (EU and national procedures)

- 3.300 contracting authorities in Slovenia
- Approx. 8.000 civil servants
- 1.000 contracting authorities are using notification system (Portal for PP)
- 32.000 users of e-Procurement

Control mechanisms in Public procurement

- Oversight is conducted by several national institutions:
 - National Revision Commission (special judicial body)
 - Court of Audits
 - Slovenian Competition Protection Agency
 - Commission for the Prevention of Corruption

- Almost no distinction between national and local CAs
 - Governement has a special Office for budget control
 - Municipalites have a special supervisory committees

NATIONAL REVIEW COMMISSION FOR REVIEWING PUBLIC PROCUREMENT AWARD PROCEDURES

National Review Commission is a specific, independent, professional and expert state institution providing legal protection to tenderers at all procedural levels of the award of public contracts.

Transparency in public procurement

Slovenian public procurement portal

Public procurement dossier

- Public procurement dossier is a key feature:
 - All tendering documentation has to be published on the public procurement portal,
 - every stage of the procurement is documented,
 - all documents have to be submitted electronically,
 - all invoices have to be submitted electronically,
 - all contracts have to be published, as well as addendums,
 - all payments have to be recorded in the system.
